

MY HONG KONG WEDDING'S LAUNCH celebration

More than 100 friends and clients arrived at **The Continental** in Admiralty on April 11 for an evening of wine, gourmet nibbles and delectable treats to celebrate the launch of My Hong Kong Wedding Magazine.

Local event stylists **3 Degrees** were on hand to get the venue looking gorgeous, with flowers supplied by **Tomasina Designs** and a beautiful candy table courtesy of **Sim's Sweetshop**. Wine was generously provided by **Bottles XO** and **The Continental** supplied the canapes.

On hand to capture the celebrations was noted wedding photographer **Ali G**, who has snapped many of the city's high society weddings. Guests also enjoyed the social media-enabled

photo booth provided by **Polite Social**.

No evening is complete without a lucky draw, and our lucky winners took home a dining voucher for **Mr. & Mrs. Fox**, a gift basket and spa treatment from **L'Occitane**, a spa voucher for Plateau at **The Grand Hyatt Hong Kong**, and an overnight stay at the **Parisian Macao**.

Our guests also took home goodie bags laden with gifts from **Pure Lano**, **Belif**, **Aromatherapy Associates**, **Godiva**, **Sim's Sweetshop**, **The Continental** and **On Location Glam**, who also got the Liv Media team looking fabulous with their onsite hair and nail services.

A huge thank you once again to all our guests and sponsors who made it a night to remember!
